Dear Practice Manager

**New Doncaster CCG Formulary: TEE2+ is a First Line formulary choice for people with Type 2 Diabetes!**

We are delighted that TEE2+ has been chosen by Doncaster CCG as a **First Line formulary choice** for people with Type 2 Diabetes self-testing blood glucose levels.

TEE2+ is accurate and reliable whilst offering great value, with our testing strips offering up to a 30% saving against the average strip price.

Some of the features of TEE2+ include:

- Exceeds accuracy criteria for ISO 15197:2015
- Bluetooth connectivity
- 1000 memory capacity (DVLA compliant)
- Data download function
- 24/7 support from a UK based helpline

**It also offers exceptional value, with strips at just £7.75 for a pot of 50 blood glucose test strips.**

We will be providing training and implementation support to make any change as easy as possible, including patient group education sessions when switching patients conveniently within your practice setting. We will contact you directly to discuss your requirements but feel free to call the team on 0116 4645585 if you wish.

Your Medicines Management team or Community Diabetes Team will be able to supply you with further details of the services we are providing.

**To order a supply of TEE2+ meters please call 0800 881 5423, quoting Doncaster CCG.**

Kind Regards,
